

The Features of UCRP

University of California Retirement Plan

Your department administrator/DBR is able to arrange for a workshop to take place at a faculty/staff meeting at your location.

The focus will be on UC's pension program--a defined benefit plan. Do you understand what your options might be when it comes time for you to retire? Do you know what a Beneficiary is? A Survivor? A Contingent Annuitant? You're never too young to learn about and plan for your retirement.

To arrange for this one-hour workshop, the Department must:

- Contact UCSF HR/Benefits to schedule date/time--email benefits@ucsf.edu or telephone 415.476.1400
- Reserve conference room
- Provide promotion/advertising for the workshop
- Ensure attendance of at least 15 – 20 participants
- Provide computer/video technology--PC/laptop and projector to support MS PowerPoint presentation
